- 1** Read the text. Then write the words below in the correct order to make sentences and tick the sentences T (true) or F (false).

Last year, my sister Pam was training to be a hairdresser. On April Fool's Day, she decided to practise on my hair. While she was washing my hair, she suddenly poured red juice on my hair and pretended it was real hair colour. My hair looked terrible and I was upset. When I saw the smile on Pam's face, I remembered it was April Fool's Day. Pam was laughing when she showed me the bottle of juice. But she stopped laughing when she tried to wash it out of my hair. The colour didn't come out! My hair was red for two months, and Pam never tried to trick me again!
