Hi Phil,

My name's Ellen. I love meeting people on the Internet. I live in a big old farmhouse near Alice Springs, Australia. It's got eight rooms. Life is really boring here. I don't live near a school so I study on the computer at home.

I like wearing trendy clothes and I love trance music. I can't stand rap bands because some of the words to the songs are offensive.

Please write back soon and tell me about yourself.

Ellen

Hi Ellen,

How are you? I also enjoy making friends with people from around the world. It's really cool that you study at home. I think going to school every day is more boring.

My house is much smaller than yours. It's only got three rooms. I'm lucky because I've got the biggest bedroom. I also like listening to trance music, but I prefer techno.

I'm really fit and I enjoy weightlifting. Do you like doing sport?

I hope to hear from you again soon.
